Re: SEAA 1414 /Assessment Account 102121

Water Users:

Per our phone conversation of last week, this letter confirms that the Division erroneously assigned Christian Peterson's account, number 102088, to Jesse and Brenda Wood. The Woods purchased Jack McKeon's ownership in water right 61-2163. Jack McKeon's account, number 102121 should have been assigned to the Woods.

I apologize and appreciate your efforts to bring the error to my attention. I have assigned Jack McKeon's account, 102121, to Jesse and Brenda Wood and credited the account so that it is fully paid. I have also placed account 102088 back into the name of Christian Peterson. SEAA 1414, issued December 6, 2010 and indicating account 102121 is delinquent has been withdrawn.

Enclosed is a copy of account 102121 showing the account credit and \$0 balance. Should you have any questions or concerns please feel free to contact me.
